The Elston Hall Early Years Team and beyond are underpinned by the moral purpose to change lives for the better. We are committed to maximising the potential for our children, to support and meet their personal needs.

At Elston Hall, we encourage our children to be the best they can be and through learning, believe they can achieve anything. We pride ourselves in working in collaboration with families, holding an established knowledge of Early Years learning and providing a wealth of opportunities for our children through all aspects of their learning. We provide this with a well planned, balanced and differentiated curriculum within a caring, safe and secure yet enquiring environment.

We offer a spacious well equipped learning environment outdoors that allows us to continue our learning through our classroom doors. This environment is purely for our youngest members of our school community and provides our own entrance and exit to school.

Children have access to their own cloakroom and bathroom facility.
