Free School Meal Vouchers

Dear parents / carers,

This letter is for the attention of families who are eligible for means tested Free School Meals (not Universal Free School Meals). As of Monday 25th January, instead of offering a food hamper, we will be providing you with supermarket vouchers.

We have now placed the order for the vouchers from the government-arranged scheme - Edenred. The scheme will operate exactly as it did last year – you will receive an email which contains a 16 digit eCode and a link to redeem your code. At this point, you can select the supermarket you wish to use. Your email should arrive on/shortly after Monday 25th January. If you haven't received your vouchers by Friday 29th January, please contact the school office. These vouchers will be £45 per child (£15 per week), to cover the upcoming three week period (weeks beginning 25th Jan, 1st Feb & 8th Feb).

If your child is currently accessing school provision as a keyworker, as you will be receiving vouchers, your child will no longer be provided with a free school meal and you will need to send a packed lunch or pay for a school lunch.

Over the February half term (week beginning 15th Feb), City of Wolverhampton Council has indicated that it will provide vouchers or a hamper but FSM families will need to apply online for this, as was the case over the Christmas holidays. Further details are expected to be released later this week – we will forward them to you as soon as we receive them.

Kind regards,

Miss E Foster
Head of School
